

NASA Club Meetings 2024

Our meetings will be held on Tuesday evenings at 19:30 on:

January 16th

March 19th

May 21st

July 23rd

September 17th

November 19th AGM

Until we decide otherwise members will receive an email in the week before the meeting with Zoom log in details.

The arranged Zoom meetings will last about 40 minutes but if we need to continue we believe we have to wait 10 minutes before we can log in again using the original details to resume the discussion, but please take notice of the instructions issued for each meeting.
