

NASA Club Meetings 2025

Our meetings will be held on the third Tuesday of every other month at 19:30

January 21st

March 18th

May 20th

July 15th

September 16th

November 18th AGM

Until we decide otherwise members will receive an email in the week before the meeting with Zoom log in details.

The arranged Zoom meetings will last about 40 minutes but if we need to continue we believe we have to wait 5 minutes before we log in again using the original details to resume the discussion, but please take notice of the instructions issued for each meeting.
